

PRIVACY NOTICE

Purpose and Scope

This Privacy Notice provides an overview of how Integrated Casino Resorts Cyprus Limited (“ICR”) processes your Personal Data. ICR is a member of the worldwide Melco group (collectively referred to as, “**Company**”, “**we**”, “**us**” or “**our**” in this Privacy Notice), which is active in the gaming industry across various locations. “Personal Data” refers to any information relating to you that ICR obtains from you or about you from other parties.

We are committed to protecting your privacy – in this Privacy Notice, we set out how we collect your Personal Data, how we use it, and what rights and choices you have in relation to the Personal Data we hold and process.

Who decides why and how we process your personal data?

ICR determines why and how we process your Personal Data and as such is considered a Data Controller for the purposes of the applicable data protection legislation.

What personal data might we collect about you?

We collect different types of Personal Data for different reasons – this may include:

- **Identity Data** includes first name, maiden name, last name, username or similar identifier, marital status, title, date of birth and gender.
- **Contact Data** includes billing address, delivery address, email address and telephone numbers.
- **Financial Data** includes bank account and payment card details.
- **Credit Data** includes credit history, gaming activities and gaming history
- **Transaction Data** includes data necessary for us to process payments and implement fraud prevention measures, including credit / debit card numbers, security code numbers and other such relevant billing details.
- **Technical Data** includes internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, last gaming location within the gaming floor, operating system and platform and other technology on the devices you use to access this website.
- **Profile Data** includes your username and password for platforms maintained by the ICR (where you have access to any), purchases or orders made by you, your interests, preferences, feedback, survey responses and information relating to promotion eligibility generated through our loyalty management systems.
- **Usage Data** includes information about how you use our website, mobile application, products and services.
- **Marketing and Communications Data** includes your preferences in receiving marketing from us and our third parties and your communication preferences. Marketing Data also includes any Personal Data you may provide us with in order to enter any competition, tournament and/or prize draw.
- **Compliance Data** includes personal data we may collect on you for the purposes of complying with our legal obligations.
- **Recruitment Data** such as previous employers, references by previous employers or colleagues, type of job held at other companies, previous or expected salaries, skills and qualifications obtained through education or experience. This Personal Data will help us make a decision on your suitability for employment and in case your application is for future vacancies the aforesaid Personal Data will help us to decide which department you may be most suitable in.

- **Security Data** includes data that is used for securing the use of our services and our premises, such as your employee ID, security logs, facility entry logs, CCTV footage, audio recording and other information obtained through electronic means.

We may occasionally collect **Special Categories of Personal Data** about you (this includes details about your race or ethnicity, religious or philosophical beliefs, information about your health and genetic and biometric data). In some instances, this may also include information about criminal convictions and offences.

When do we collect your personal data?

We may collect Personal Data about you in various cases, such as for example:

- When you or your organisation seek our products or services (including gaming related services) or use any of our online services, including but not limited to setting up an account through our websites or our mobile application or by any other electronic means and managing such account;
- When you or your organisation make an enquiry through our website, in person, over email or over the telephone, including but not limited to applying for a position at ICR;
- When you attend an event we may organise, or sign up to receive communications from us;
- When you participate in our entertainment activities, including but not limited to, booking and managing your participation through our proprietary mobile app, the Melco Club App;
- When a corporate entity engages us to provide services and you engage with us as representative of such entity or otherwise the entity shares your information with us for the purposes of us providing our services;
- When you or your organisation provide services to us, or otherwise offer to do so;
- When you or your organisation provide us with feedback;
- When we collect information based on your behaviour, preferences, patterns and similar to tailor our services and to enable us to provide you with privileges and special access on that basis;
- When we receive personal data such as Contact, Financial and Transaction Data from third party providers of technical, payment and delivery services.
- When we record footage from the CCTV cameras installed across the premises of the casino and in other areas at ICR's premises for security purposes and health and safety purposes – footage from CCTV is processed in accordance with applicable law and kept for the permissible timeframes.
- When delivering communications to you (including marketing communications and advertising);
- When we record sound (audio recording) on table games of the casino for the purpose of ensuring that the rules of the game are observed, monitoring any cheating and having evidence in the event of a dispute or a crime;
- When using facial recognition monitoring (“FRS”) on our premises via the FRS cameras located at all entrances of the casino to enhance security and compliance with our responsible gaming policy and programmes, including time-out, setting limits and self-exclusion requests;
- When you or your organisation call our Call Centre, we perform voice recording in order to provide better quality of services;
- When you request us to complete and manage travel bookings on your behalf using an outsourced booking platform;
- When we process, administer, and manage your bookings and reservations for services provided by our affiliated companies;
- When you voluntarily participate in photo shoots and/or video productions on our premises, for Melco's branding, promotional, training and business development and/or advertising related purposes;

- When we use any of your products or services, we collect your personal data directly from you and/or the company with which you are working for the purpose of executing our contracts with you and/or your employer;
- When you or your organisation provide services to us and we undertake the relevant assessments to ensure that our service providers meet our requirements; and
- When we facilitate real-time operational notifications to authorised employees regarding member's last known gaming location within the gaming floor where necessary to provide customer service, promotion eligibility and operational support.

How will we use your personal data?

We will use your Personal Data, for the following purposes (“**Permitted Purposes**”):

- Where we need to perform the contract we are about to enter into or have entered into with you.
- To provide you with services or other similar services you may have requested, including online services, as instructed or requested by you or your organisation;
- To manage and administer your or your organisation's business relationship with us, including processing payments, accounting, billing and collection or support services;
- For compliance with our legal or tax obligations (such as anti-money laundering and regulatory purposes or tax reporting);
- To analyse and improve our services and communications to you;
- To process complaints in relation to our services and products;
- To manage and process your participation in our entertainment activities, including your bookings through our proprietary mobile app, the Melco Club App;
- To communicate with you through the channels you have approved to keep you up to date on the latest developments, announcements, and other information about our services, products and technologies at ICR as well as events we may organise;
- To record footage from the CCTV cameras installed across the premises of the casino and in other areas at ICR’s premises for security purposes and health and safety purposes – footage from CCTV is processed in accordance with applicable law and kept for the permissible timeframes;
- To monitor and analyse electronic communications sent or received by you, including to tailor our communications accordingly and measure our marketing efforts;
- To record sound (audio recording) on table games of the casino for the purpose of ensuring that the rules of the game are observed, monitoring any cheating and having evidence in the event of a dispute or a crime;
- To use FRS on our premises via the FRS cameras located at all entrances of the casino to enhance security and compliance with our responsible gaming policy and programmes, including time-out, setting limits and self-exclusion requests;
- To comply with court orders and exercises and/or defend our legal rights;
- To review your application for an employment position with us;
- To undertake approval processes in relation to applications for gaming credit facilities;
- To complete and manage travel bookings on your behalf using an outsourced booking platform;
- To process, administer, and manage bookings, reservations, and related services provided by our affiliated and group companies, including where this requires sharing Personal Data with those companies to enable booking confirmation and/or eligibility verification;
- To capture your images and/or videos when you voluntarily participate in photo shoots and/or video productions on our premises, for Melco’s branding, promotional, training and business development and/or advertising related purposes;

- To use any of your products or services, we may undertake any of the following processing activities: execute contracts; analyse and verify the provision and the quality of your products and/or services; process payment instructions; undertake marketing and promotional activities; administer and maintain records to comply with our obligations to register your information and monitor our communications with you as shall be agreed with you or as required by law from time to time;
- We may analyse your personal data, gaming activity, preferences, interactions and use of our services through customer relationship management and analytics tools in order to better understand customer trends and behaviour, improve our services and operations, personalise communications and offers, manage customer relationships, support responsible gaming and compliance measures, and generate internal reporting and insights. Such processing may involve segmentation, profiling and behavioural analysis, subject always to appropriate safeguards and access controls.
- To facilitate real-time operational notifications to authorised employees regarding member's last known gaming location within the gaming floor where necessary to provide customer service, promotion eligibility and operational support.

Where you have expressly given us your consent, we may process your Personal Data also for the following purposes:

- For marketing campaigns, market analysis, contests or other promotional activities or events; or
- To collect information about your preferences to create a user profile to personalize and foster the quality of our communication and interaction with you (for example, by way of newsletter tracking or website analytics).

With regard to newsletters, legal updates and other general communications, you will always have the option to opt out of receiving such communications at any time.

Information on our promotional offers

We may use your Identity, Contact, Technical, Usage and Profile Data to form a view on what we think you may want or need, or what may be of interest to you. This is how we decide which products, services and offers may be relevant for you (we call this marketing). You will receive marketing communications from us if you have consented to it or if you have requested information or purchased services from us or if you provided us with your details when you entered a competition or registered for a promotion and in each case, you have not opted out of receiving marketing communications.

We may also use customer relationship management systems to identify members who qualify for promotions and benefits and facilitate the administration and fulfillment of such benefits.

Treatment of third-party marketing

We will always get your express opt-in consent before we share your Personal Data with any company outside the Company for marketing purposes.

Profiling and Automated Decision-Making

We use profiling as part of our business operations. Profiling means any form of automated processing of Personal Data to evaluate certain personal aspects relating to you, in particular to analyse or predict aspects concerning your preferences, interests, behaviour, or other characteristics.

We use a business analytics tool and customer relationship management systems to analyse customer data and generate insights as well as to support interactions and promotion administration. We may process your Personal Data (including Identity Data and Credit Data) to identify patterns, segment customers, analyse behaviour, and create reports that help us improve our services, personalise offers, and support responsible gaming measures.

The profiling we conduct does not result in solely automated decisions that produce legal effects concerning you or similarly significantly affect you. Human oversight is applied to decisions that may have significant consequences for you. You have the right to object to profiling in certain circumstances – please see the “What rights do you have?” section below or contact us at dpo.cyprus@melco-resorts.com.cy

Legal grounds for processing

Depending on which of the above Permitted Purposes we use your Personal Data for, we may process your Personal Data on one or more of the following legal grounds provided for under applicable data protection legislation:

- Where processing is necessary for the performance of a contract with you or your organisation.
- Where we need to comply with a legal or regulatory obligation.
- Where it is necessary for our or our contractors’ (where applicable) legitimate interests (or those of a third party) and your interests and fundamental rights do not override those interests. Examples of the 'legitimate interests' referred to above are:
 - Fraud detection and prevention (crime prevention;)
 - Ensuring the integrity of the ICR’s information, systems, network and cyber security;
 - Processing of employment data;
 - Product development and enhancement; and
 - General Corporate Operations.
- When we have your consent to do so, where you have expressly given this to us.
- Where it is needed in the public interest or for official purposes.
- Where it is necessary to do so to protect your or someone else’s interests.

How might we share your personal information?

We may disclose your Personal Data where we may instruct service providers within or outside ICR (including affiliates and group companies), domestically or abroad, e.g. IT services or server providers, to process Personal Data for the Permitted Purposes on our behalf and in accordance with our instructions only. In certain cases, this may also mean that your Personal Data may be transferred to locations outside the EU or EEA. ICR will retain control over and will remain fully responsible for your Personal Data and will use appropriate safeguards as required by applicable law to ensure the integrity and security of your Personal Data when engaging such service providers;

We may also share Personal Data with other group companies, such as ICR Cyprus Resort Development Co Limited (whose Privacy Notice can be found [here](#)), where necessary to enable you to redeem promotions, offers or benefits made available to you, including verifying eligibility and facilitating reservations and/or bookings. In these circumstances the relevant group company will act as an independent data controller and will process Personal Data in accordance with its own privacy notice.

We may share personal data with selected business partners where events, tournaments, promotions or collaborations are organised, including where necessary to administer participation, verify eligibility and

facilitate attendance. In such cases, the relevant partner will process the personal data as an independent data controller in accordance with its own privacy notice and applicable data protection laws.

We will otherwise only disclose your Personal Data when you direct us or give us permission to do so or otherwise as required by law to government departments and judicial authorities, such as for meeting legal and tax obligations.

We may also share your personal data with potential or actual investors /buyers if we are acquired by a third party or where we may seek to acquire other businesses or merge with them. We will only do this if the third party agrees to keep your personal data safe and private.

Website third-party links

The ICR website may include links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. We do not control these third-party websites and are not responsible for their privacy statements. When you leave our website, we encourage you to read the privacy notice of the website you visit.

Transfers of personal data abroad

Melco is active across the world – this means that we may transfer your Personal Data abroad if required to do so for the Permitted Purposes. In certain cases, this may include transferring data to countries or regions which do not offer the same level of protection as the laws of your country (such as for example the data protection legislation of the EU/EEA), including (without limitation) Hong Kong and Macau.

When making such transfers, we will ensure that they are subject to appropriate safeguards in accordance with the General Data Protection Regulation (Regulation 2016/679) or other relevant data protection legislation, or that we otherwise comply with the requirements and standards under Regulation 2016/679 for transferring Personal Data abroad. For example, in some cases we may rely upon your explicit consent when transferring your Personal Data abroad if required to do so for the Permitted Purposes, pursuant to Article 49(1)(a) of Regulation 2016/679. Please get in touch at dpo.cyprus@melco-resorts.com.cy if you wish to obtain further information on the appropriate safeguards which we are adhering to.

Can you refuse to share your personal data with us?

In general, we receive your Personal Data where you provide this on a voluntary basis, and there will typically be no detrimental effect for you if you wish not to provide this or otherwise withhold your consent for it to be processed. However, there are certain cases where we will unfortunately be unable to act without receiving such data, for example where we need to carry out legally required compliance screening or require such data to process your instructions or orders, or otherwise to provide you with the requested services or our online services or communications.

Where it is not possible for us to provide you with what you request without the relevant Personal Data, we will let you know accordingly.

How do we keep your personal data safe?

We have put in place appropriate security measures to prevent your Personal Data from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your Personal Data to those employees, agents, contractors and other third parties who have a business need to know. They will only process your Personal Data on our instructions and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected Personal Data breach and, where necessary, will notify you and any applicable regulator of a breach in accordance with applicable legal procedures.

Personal data we receive from you about other people

Where you provide us with the Personal Data of other people, such as your employees, directors of your companies, corporate guests or other persons you may have dealings with, you must ensure that you are entitled to disclose that Personal Data to us and furthermore that, without being required to take further steps, we can collect, use and disclose that data in the manner described in this Privacy Notice.

How long do we keep your personal data for?

We delete your Personal Data once it is no longer reasonably necessary for us to keep it for the Permitted Purposes, or, where we have relied on your consent to keep your Personal Data, once you withdraw your consent for us to do so, and we are not otherwise legally permitted or required to keep the data. We will in any event not keep your Personal Data for longer than seven (7) years.

In relation to CVs and related information which we may receive for potential employment with ICR or an affiliated company in relation to the casinos in Cyprus, unless we receive a specific request for erasure, we will delete such information from company records after the lapse of three (3) years.

Importantly, ICR will keep your Personal Data as necessary for the purposes of defending or making legal claims until the end of the period during which we may retain the data and otherwise until the settlement of any such claims, as relevant.

For further information on how long we may keep your data for please get in touch at dpo.cyprus@melco-resorts.com.cy.

What rights do you have?

Subject to certain circumstances under applicable legislation, you have the right to:

- Request a copy of the Personal Data which we hold about you or in certain cases request us to transfer the data we hold about you to another provider;
- Have any inaccurate data we hold about you corrected;
- Object or restrict our use of your Personal Data, including but not limited to object to profiling and automated decision making in certain cases;
- Submit a complaint if you have concerns about the way in which we are handling your data;
- Request that we delete the Personal Data we hold on you;
- Where we have relied on consent to process your Personal Data, to withdraw your consent; and
- Request that we transfer your data to another provider.

To do any of the above, please contact us at dpo.cyprus@melco-resorts.com.cy. To enable us to process your request, we may require that you provide us with proof of your identity, such as by providing us with a copy of a valid form of identification – this is to protect the Personal Data we hold from unauthorised access requests and comply with our security obligations.

We may charge a reasonable administrative fee for any excessive requests we may receive.

Corrections, updates and complaints

Where any Personal Data you have provided us with has changed, or where you believe the Personal Data we hold is inaccurate, or where you wish to make a complaint regarding our handling of your Personal Data, please let us know at dpo.cyprus@melco-resorts.com.cy or send us a letter addressed at:
